### Early Reading, Writing and Maths – Parent Information Evening

Dear Parents,

We are organising an information evening for parents of pupils in Reception, Year One and Year Two to give you information about how we support children's development in Early Reading (Mrs Kramer, Phonics Leader), Writing (Mrs Rendell, English Leader) and Maths (Mr Sime, Maths Leader) and how you can also support this at home.

Approaches to teaching and learning have changed since we were in school ourselves, and we recognise that many parents would welcome more information about some of the strategies we use so that they can better support their children to meet age-related expectations.

The session will last approximately 50 minutes and will be held online, so you can tune-in from the comfort of your home and not have to worry about organising childcare.

To support us in finalising plans for the evening, please click [here](#) and share with us whether you are / are not interested in joining us, and also which time in the evening would be easier for you to attend.

Thank you for your continued support.

Best Wishes,

Mr D. Seviour  
Headteacher
