Year 5 Planetarium Dome

Dear Parents,

To enhance the children's learning of their topic 'Earth and Space', we are lucky enough to have secured a booking of an indoor 'pop-up' planetarium dome. This is a unique experience for children who will be able to experience what it might be like to visit space whilst learning more from an expert about our solar system.

The trip will be taking place on Thursday 24th October at West Monkton Primary School. In order for children to enjoy this unique experience, we are kindly asking for a £6.00 contribution per child to fund the cost of the dome and coach. In the unfortunate event we do not receive enough contributions, the dome may have to be cancelled.

Payment can be made via Arbor under the Trips menu.

We are excited to share this learning experience with the children and look forward to sharing some photographs afterwards.

Kind regards

Mrs Wells

Class 5 Teacher
