### Family Learning: Early Years Workshop

Dear Parents,

We are delighted to offer Parents and Carers of Reception children, our first family learning opportunity of the year! We are inviting you to come and learn about the Early Years Foundation Stage curriculum led by myself, Miss Bowles. You will then have an opportunity to spend an hour with your child exploring some fun and informative early years activities and tasks.

During the session there will be

- Information about the EYFS curriculum
- A chance to ask questions about the curriculum
- Activities to do with your child from different areas of the EYFS curriculum
- A craft activity to make and take home
- A chance to spend time with other families and share in a positive experience at school.

**What:** Stay and Play: Understanding the Early Years Curriculum

**Who:** Open to all adults with children in Year Reception

**When:** Monday 21st October at 13.30-15.30

**Where:** In the school hall

Due to change in fee policy we have to enrol learners slightly differently.

If you earn UNDER £25,000, receive benefits or have poor mental health please follow this link to enrol. : <https://sslcourses.uk/CourseDetailsView.asp?ID1=1100&ID2=642&ID3=1>

If you earn OVER £25,000 please email [office@blackbrook.oak.education](mailto:office@blackbrook.oak.education) to reserve a place and we will contact you with more information.

If you are a returning learner you will know the system for enrolling can be temperamental but by doing so you bring vital funding into the school for the benefit of the children. **Please don't let this put you off** – EVERYONE is welcome whether you can complete the form or not – we just need to know you are coming so we can plan for numbers!

We very much look forward to working with you and your children. Family learning is a great opportunity to have quality time with your child, learn about school life and have a chance to chat to us too. A warm welcome awaits you!

Many thanks,

Mrs S. Bowles
