International Women's Day

Dear Parents,

Friday 7th March is international women's day and Blackbrook are joining with schools across the country to have 'the biggest ever football session.' To mark and celebrate this we are inviting every girl in the school to wear a football kit into school on this day. If you don't own a football kit/ shirt please feel free to wear PE kit. In an ideal world everyone will wear Arsenal shirts but I have prepared myself for that sadly not happening!

In school we will be having an assembly to discuss the significance of international women's day and the importance and need for inclusion in all sports, not just football. We will also have a training session during the school day for girls of all ages and abilities. This will also be happening up and down the country!

Why should your child be involved?

- Inspiration & Empowerment: This is a great way to celebrate International Women's Day. We will be part of a nationwide celebration, highlighting the importance of inclusivity in sports, showing children in Blackbrook that girls belong in football.
- Develop Young Leaders: This event offers a fantastic opportunity for children to take charge in organising and running the day, building essential leadership skills thanks to our year 6 sports leaders.

I look forward to seeing you all in your kit on Friday 7th March!

Best Wishes,

Mr Dunningham
