Barclays Girls Whistlers Refereeing Day

Dear Parents,

On Friday 4th July, year 6 girls will have the opportunity to take part in the Barclays Girls Whistlers Refereeing day at West Monkton School alongside year 6 students from West Monkton and Ruishton.

The session will take place during the school day and will include time outside so PE kit will be needed, but there will also be theory behind refereeing and managing the game. The long term aim of this qualification and training would be that your child would continue to develop their skills in this area and use them through their education and maybe beyond.

This was an extremely successful national program last year and with a constant need for referees and female officials in particular, this is a great way to introduce girls to football beyond just playing!

More information about the day can be found by following the link: <https://home.barclays/who-we-are/sponsorship/barclays-and-grassroots-school-football/>

Drop off will be at 9:15am on Friday 4th July at West Monkton Primary School with pick up being at 3:00pm from West Monkton Primary School.

Please sign the permission form on the back if your child is interested in taking part in this excellent opportunity and return to Mr Dunningham or the office.

Yours sincerely

Mr Dunningham
