School Podcast

Dear Parents,

We have been offered an exciting opportunity to record a school podcast. A parent from Class 2 has kindly offered his services in making this possible. Once created we hope the podcast will be available to download. The name of the podcast will be Blackbrook Voices and children will be offered the chance to take part by sharing their thoughts of a topic of conversation, read from their book or simply engage in conversation with their friends. Children will be asked to introduce themselves stating only their first name and class.

This podcast will enable children to develop their oracy skills supporting them in expressing their thoughts and opinions. As a school we have been developing children's oracy skills through a programme called Voice 21. Oracy is an important life skill that we are keen to support our children with. We feel the podcast will be a great opportunity to showcase their oracy skills and showcase their oracy skills. If you are happy for your child to take part in the podcast at some point please provide permission via Arbor.

Best Wishes,

Mrs K Kramer

Class 1 Teacher
