### Move-up Morning

Dear Parents,

Are you are aware, our 'move-up' morning for the school is on Wednesday 2<sup>nd</sup> July. On this morning, at drop-off, the children will be let into the classroom that they will be learning in next year. **There will be some movement of classrooms next year**, and for some pupils, although the teacher will be different, this will mean going into the classroom they are in currently. For clarity, please see the school layout below to see where your child's classroom will be next year and the room into which they will be welcomed at 08:50 on Wednesday.

Pupils who will be in Years 3-5 next year, should enter through the side or back gate and wait outside of their classroom for next year, and those who will be in Reception, Year 1, Year 2 or Year 6 should wait on the playground to be collected by their future teacher. Where there is a change in room, the children will put their belongings into the room they will be taught in next year and they will take them with them for collection from their usual classes at the end of the day.

If you have any questions, just let us know.

Best Wishes,

Mr D. Seviour  
Headteacher
