Annual Report

Dear Parents,

We are delighted to share with you your child's end-of-year report today, which has been prepared by your child's class teacher. The annual report marks the end of the cycle of reporting for this academic year, preceded by parent consultations held since September.

If your child has participated in any statutory assessments this academic year, the results for these will also be shared with you today. This includes the Phonics Screening (Year 1), the Multiplication Tables Check (Year 4) and the Key Stage Two SATs (Year 6).

Digital Reports

Your child's report will be shared with you electronically as a PDF that you can download. This letter will be followed with a separate email containing a link. Please see the bottom of this letter for more information.

We have captured your child's views within this report and I invite you to share your views. **Please consider replying to this email, or the email containing the link to your child's report.**

Finally, I would like to take this opportunity, as we celebrate your child's achievements this year, to thank you once again for your support of our school.

Where can I see my child's report?

Further to this letter, you will receive an email from system@insighttracking.com. You will see a message as below, which contains a link for you to view and download your child's report. You will need to enter their date of birth for security reasons. If you child has completed any statutory assessments this year, for example SATs, you will receive an **additional email** with a separate report detailing the outcomes of these assessments.

Dear parent/carer,

A school report for [REDACTED] is now available.

Use the following link to view and download the report.
