Year 3 Curriculum Newsletter Autumn Term 1 2025

Dear Parents,

We hope that you have had a lovely summer and enjoyed the fine weather we had.

Welcome to Year 3

Year 3 is an important transition for children, as it marks their entry into Key Stage 2 and involves a shift toward greater independence. We are now settling into the new term and the children have adapted well to new routines, roles expectations and responsibilities of being in KS2. It has been a delight to see all the children together and they have faced every task with determination and enthusiasm.

This half term our topic will be: "Light and Shadows".

A curriculum overview will be sent out so you can see what many wonderful topics we cover this half term and allow you to discuss your child's learning with them.

We would like to let you know about our routines and expectations in Year 3.

READING

Reading is paramount and we encourage you to hear your child read at least four times a week and where possible to sign their reading record to reflect this. These will be checked every Friday to monitor frequency of reading.

Your child will be coming home with a number of books: a library book – which they can change during morning registration and one from our scheme.

P.E

P.E kits should be worn to school on the day of our P.E session which will be Tuesday for this term. Please keep an eye on the forecast so they are wearing suitable outdoor kit if necessary. Our reason for this is we no longer have the space for children to change separately for P.E.

All children need to have a pair of wellies in school so that they can access the field at every opportunity as soon as possible.

Any questions or problems, feel free to Dojo or chat on the door.

Best Wishes

Mrs Wells, Mrs Lifton and Mrs Sillett
