Blackbrook Leisure Centre Fitness and Swimming Campaign

Dear Parents,

I have the pleasure of writing to you all to announce a new free local initiative.

As you may be aware we have recently placed a number of banners outside the school entrance area. We are excited to announce the launch of a brand-new Fitness and Swimming campaign working in partnership with Blackbrook Leisure Centre. Blackbrook School have the honour of being selected to be the first school to take part in this exclusive initiative across Taunton.

What is this campaign?

As a school we are looking to promote healthy lifestyles and activity for everyone across our community.

As part of the exclusive offer, our school community will receive the following benefits:

- Free swimming for all children aged 10 and under for any public or family swim session
- Free membership for all children aged 11-15
- Free membership for all parents with children enrolled at your school
- Free membership for all school employees

If you or a family member would like to take advantage of this fitness and swimming campaign offer, you have until the 30th September to request passes.

Best Wishes,

Nick Williams
