School Uniform Grants

Dear Parents,

As we approach the new school year, we understand that preparing for September can bring additional costs for many families. We would therefore like to share information about a source of support that may be helpful.

Taunton Heritage Trust offers **School Uniform Grants** to assist with the cost of essential school clothing. These grants are available to families living in Taunton Deane and can help contribute towards items such as skirts, trousers, jumpers, blazers and PE kits.

We recognise that every family's circumstances are different, and this service is simply here for anyone who may wish to access a little extra support. If you feel this could be beneficial, applications are made through a referrer, such as the school, the local authority, Citizens Advice, or a village agent. The process is straightforward, and all applications are handled **sensitively and in strict confidence**.

If you would like further information or would appreciate support with accessing this scheme, please feel welcome to contact the school office.

Further details can also be found on the Taunton Heritage Trust website: www.tauntonheritagetrust.org.uk or by calling **01823 335348**.

Thank you for your continued support. We look forward to welcoming your child back to school for the new academic year.

Best Wishes,

Kelly Brooks
Pastoral Lead
