SATs Results Publishing Update

Dear Parents,

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on 16 July 2026.

As is usual practice, and on the basis we receive the results on the rescheduled date given, **we intend to share the pupils' results with their annual end-of-year reports on Friday 17th July.**

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school and no action is required from parents.

Thank you for your patience and understanding.

If you have any questions, please contact the school office.

Best Wishes,

Mr D. Seviour
Headteacher
