Year 5 Escot Residential – Wednesday 21st October to Friday 23rd October

Dear Parents,

As you may be aware, each year we put in place a very successful residential trip to Escot Park, near Exeter, for our Year 5 pupils. We have booked for the pupils to go on this residential trip from **Wednesday 21st October to Friday 23rd October**.

The residential trip will involve 3 days of activities and 2 nights stay in the 'Wildwood Camp'. The children always have a wonderful time, taking part in a range of outdoor activities.

Residential trips are a fantastic experience for the children and support their social and emotional growth and development in many ways. We also hope they will grow in confidence and independence during their time away from home. I understand that many children will be anxious about coming, so please feel free to come and see me so that we can reassure and put minds at rest; an initial 'panic' is quite normal but rest assured they will all come back full of pride and excitement

The cost of the trip is £160 per child which includes two night's accommodation, travel, food, activities and staffing costs etc.

The trip will be made available on Arbor at the beginning of September. Parents will be able to make payments towards the trip throughout the school year, but please could the deposit of **£25** be paid **before the start of the trip** to confirm your child's place.

Best Wishes,

Mrs Ruth Rendell
