Friday 19th July 2024

Our New Website!

Dear Parents,

Following on from the revision of our school's vision and values, as well as the school logo, we have been working on our website for the past few months. **Our new site is now live!** Take a look and see what you think: www.blackbrookschoo.com. It is my aim that the school website will be a useful source of information for our parent community particularly (we use the term parent to describe anyone with parental responsibility or acting as a temporary or permanent caregiver for a child).

Key Features

- **The website is fully-accessible from a computer, tablet or mobile device**
- **At the click of a button, the website can be viewed in other languages**
- **All curriculum overviews will be posted at the beginning of each half-term (from September)**
- **All letters sent home to parents are located on the school website (we will continue to email to inform you about letters) *News and Events / News***
- **All diary dates are on the school website *News and Events / School Calendar***
- **You can subscribe to the calendar so dates pull-through to your phone (just click subscribe on the page)**
- **Pupils will be actively encouraged to write about the school and post it on our school website – we want to share as much of our school life with you as possible!**

Polly Skene, Trust Pastoral Co-ordinator (and photographer on the side) has been in and taken some wonderful photos this week. A small selection of these are online and there are many more to come.

I hope you like our new website, and I do encourage you to [share your thoughts](#), particularly if there is anything you feel would be useful to you, using this form.

Best Wishes,

Mr D. Seviour
